

8kg Novec 1230 Suppression System Portable For Fire Stop Vehicle Kitchen Safe

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: xinlin
- Certification: ISO9001,CE,CCCF,examination report
- Model Number: MJZ-F/8-XL
- Minimum Order Quantity: 200 set system
- Price: negotiation
- Packaging Details: Plywood outer box with bubble bag or paper
- Delivery Time: 10-15 working days after payment or receipt of L/C
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 30000 sets per week

Product Specification

- Capacity: 2kg,3kg,4kg,5kg,6kg
- Feature: Clean Gas And Environmental Friendly
- Body Material: Stainless Steel
- Object: Class A, B, C, E Fires
- High Light: 8kg Novec 1230 Portable Fire Extinguisher
- Highlight: **novec 1230 suppression system,**
novec 1230 system, novex 1230 safe

Product Description

Product introduction

8kg Portable Novec 1230 Portable Fire Extinguisher Product for Fire Stop Vehicle Kitchen

The portable novec 1230 fire extinguisher is a new type of fire fighting equipment, which uses perfluorohexanone as a fire extinguishing agent, with unique advantages and application scenarios.

First, novec 1230 is a colorless, odorless, low-toxic, non-conductive gas, which makes it harmless to humans and the environment during the fire extinguishing process. Second, perfluorohexanone has an efficient fire extinguishing ability, which can quickly extinguish fires without causing damage to equipment or property around the fire source. In addition, because novec 1230 is a clean gas extinguishing agent that is non-conductive, non-corrosive and non-polluting, the portable novec 1230 extinguisher is particularly suitable for places with high environmental requirements.

The portable novec 1230 fire extinguisher is designed with portability and ease of use in mind. It usually has a compact construction and light weight, making it easy for users to carry and operate. This type of fire extinguisher is suitable for many types of fire, including solid material, liquid or gas fire and electrical equipment fire.

Material: The use of stainless steel as the shell material, this material has high corrosion resistance and durability, longer service life, but also more beautiful.

Technical parameter

Brand	Xinlin
Model	MJZ-F/8-XL
Agent	novec 1230
Working pressure	1.2MPa(20°C)
Working temperature	-10~50°C
Executive standards	GB4351.1-2005
Hydrostatic test pressure	2.1Mpa
Expiration date	5 year

Company profile

Guangzhou Xinlin Firefighting Equipment Co., Ltd. is located in Guangzhou, a vital city connecting China to the world, characterized by its convenient transportation and picturesque environment. We are a manufacturing company with a professional and seasoned team of employees, consisting of solution design experts, technical installation specialists, quality inspection professionals, and after-sales service teams, dedicated to the research and development of HFC-227ea (FM200), IG541, IG100, and Novec 1230 products.

Currently, we offer a range of commonly used fire suppression systems, including FM200 fire suppression systems, cabinet-style FM200 fire suppression systems, fully automatic fire extinguisher (hanging), portable fire extinguisher, IG541 fire suppression systems, IG100 fire suppression systems, fire detection tube fire suppression systems, as well as automatic fire extinguishing pipelines.

With high quality products, perfect service and good reputation, the company has won wide praise from customers at home and abroad.

Why choose us

- Efficient management system
- More than 10 years of experience in gas fire fighting industry
- Advanced equipment and professional engineers
- We provide 8x6 hr technical support and after-sales service

Frequently Asked Questions

Q1: Are you a manufacturer or a trading company?

A1: We are a professional manufacturer specializing in gas fire suppression systems.

Q2: Do you offer OEM products?

A2: Yes, we welcome your own designs and drawings.

Q3: Where is your factory located?

A3: Our factory is situated in the East Lake Industrial Park of XinTang Town, Zengcheng District, Guangzhou City, Guangdong Province, China.

Q4: How can I get to your factory?

A4: Due to convenient transportation, you can reach us by taxi or by subway. If taking the subway, please take Line 13 to Shacun Station. Before disembarking, kindly inform us in advance, and we will arrange for a comfortable business van to pick you up from there.
