

Fire Alarm Fm 200 System Automatic Clean Agent Gas Fire Extinguisher F

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: xinlin
- Certification: ISO9001,CE,QMS,CCCF,CNAS
- Model Number: XL-04
- Minimum Order Quantity: 2set system
- Price: negotiation
- Packaging Details: Plywood outer box with bubble bag or paper
- Delivery Time: 10-15 working days after payment or receipt of L/C
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 70000 sets per week

Product Specification

- Feature: Clean Gas And Environmental Friendly
- Company Type: Manufacturer Over 10-Years
- Application: Archives, Power Distribution, Banks, Hospitals, Schools
- Capacity: 100L, 120L, 150L
- Body Material: Steel Cylinder
- Storage Pressure: 4.2MPa
- Maximum Working Pressure: 5.3MPa
- Fire Extinguishing Methods: Total Flooding
- Starting Mode: Automatic, Electrical Manual, Mechanical Emergency
- Fire Rating: Class A, B, C,E Fires
- High Light: Fire Fighting Equipment | Customized Request
- Highlight: fire alarm fm 200 system, fire fm 200 system, fm 200 fire alarm system

Product Description

Product description

Factory Sale Automatic Clean Agent Gas Fire Extinguisher FM200 Fire Suppression System

The FM200 (hfc-227ea) gas fire extinguishing system is a detergent fire extinguishing system designed to quickly suppress and eliminate the risk of fire in any environment. It is a reliable firefighting solution with a 99.99% success rate. The fire extinguishing system uses FM200 as a fire extinguishing agent, making it one of the most effective cleaning agent fire extinguishing systems. The flexible construction of the FM200 gas suppression system makes it ideal for installation in any area. In addition, it is equipped with plywood outer boxes or wooden boxes for easy transportation.

The FM200 (hfc-227ea) gas suppression system is designed for a variety of applications and features a vibrant red color. It is one of the most reliable fire suppression systems and is ideally suited to provide superior fire safety for any environment. Its cleaner fire suppression system is designed to quickly suppress and eliminate fire hazards, ensuring your place is safe.

Technical parameter

Model	XL-04
Executive standards	GB25972-2010
Storage pressure	4.2Mpa(+20°C)
Working temperature range	0~50°C
Filling density	≤950kg/M ³
Maximum working pressure	5.3Mpa(+20°C)
System spray time	Computer room≤8S,Others≤10S
Fire extinguishing methods	Total flooding
Fire extinguishing design concentration	8-10%
Starting Method	Automatic, pneumatic, manual mechanical emergency start
Fire extinguishing method	Fully submerged fire extinguishing

Application scenario

The FM200 gas extinguishing system from Guangzhou Xinlin Firefighting Equipment Co., Ltd. is the perfect fire suppression solution for any hazardous environment. The system is available in models of 100L, 120L, and 150L, powered by a DC24V/1.6A power supply. Designed and manufactured in Guangzhou, Guangdong Province, China, the system ensures rapid response times with activation within ≤8 seconds for computer rooms and ≤10 seconds for other areas. It comes equipped with eye-catching red cylinders.

Company profile

Guangzhou Xinlin Firefighting Equipment Co., Ltd. is located in Guangzhou, a vital city connecting China to the world, characterized by its convenient transportation and picturesque environment. We are a manufacturing company with a professional and seasoned team of employees, consisting of solution design experts, technical installation specialists, quality inspection professionals, and after-sales service teams, dedicated to the research and development of HFC-227ea (FM200), IG541, IG100, and Novec 1230 products.

Currently, we offer a range of commonly used fire suppression systems, including FM200 fire suppression systems, cabinet-style FM200 fire suppression systems, fully automatic fire extinguisher (hanging), portable fire extinguisher, IG541 fire suppression systems, IG100 fire suppression systems, fire detection tube fire suppression systems, as well as automatic fire extinguishing pipelines.

With high quality products, perfect service and good reputation, the company has won wide praise from customers at home and abroad.

Why choose us

- Efficient management system
- More than 10 years of experience in gas fire fighting industry
- Advanced equipment and professional engineers
- We provide 8x6 hr technical support and after-sales service

Common problems

Q: What is the brand name of the storage pressure fire extinguishing system in FM200?

A: The brand of FM200 internal storage pressure fire extinguishing system is Guangzhou Xinlin Fire Equipment Co., LTD.

Q: What are the models of FM200 internal pressure storage fire extinguishing system?

A: There are 100L, 120L and 150L available models for FM200 internal pressure storage fire extinguishing system.

Q: Where is the storage pressure fire extinguishing system in FM200 manufactured?

A: FM200 internal pressure storage fire extinguishing system is manufactured in Guangzhou, Guangdong Province, China.

Q: What are the characteristics of FM200 internal pressure storage fire extinguishing system?

A: FM200 internal pressure storage fire extinguishing system is efficient, environmentally friendly, safe and reliable, and has a high degree of automation
