

FM200 Metal Fire Extinguisher Cabinets Sevofluoropropane Gas Automatic Fire Suppression

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: Guangzhou Xinlin Firefighting Equipment Co., Ltd.
- Certification: ISO9001, CE, QMS, CCCF, CNAS
- Model Number: GQQ120/2.5-XL-98
- Minimum Order Quantity: 100set system
- Price: negotiation
- Packaging Details: Plywood outer box with bubble bag or paper
- Delivery Time: 10-15 working days after payment or receipt of L/C
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 20000 sets per week

Product Specification

- Capacity: 90L, 100L, 120L, 150L, 180L
- Feature: Clean Gas And Environmental Friendly
- Body Material: Steel Cylinder
- Storage Pressure: 2.5MPa
- Max Working Pressure: 4.2MPa
- Starting Mode: Automatic, Electrical Manual, Mechanical Emergency
- Object: Class A, B, C, E Fires
- High Light: GQQ120/2.5-XL-98 FM200 Gas Suppression System
- Highlight: **FM200 metal fire extinguisher, metal fire extinguisher cabinets, gas automatic fire suppression**

Product Description

Product description

FM200 fire extinguishing sevofluoropropane gas automatic fire suppression

Guangzhou Xinlin Firefighting Equipment Co., Ltd. produces cabinet-type FM200 fire extinguishing devices, which have become important equipment for modern fire safety due to their excellent performance and wide range of applications. It uses efficient FM200 fire extinguishing agent to quickly extinguish the fire source, effectively prevent the spread of fire, and protect the safety of people and property.

This fire extinguishing device adopts a cabinet structure and has a simple and beautiful appearance. It is not only easy to install, but also can be well integrated into various environments. At the same time, it also has an intelligent control system that can monitor fire conditions in real time. Once a fire is detected, it will automatically start the fire extinguishing program to ensure that the fire is controlled promptly and effectively.

Cabinet-type FM200 fire extinguishing devices are widely used in electronic computer rooms, archives, laboratories and other places with extremely high fire safety requirements. In these places, it plays an irreplaceable role and provides a strong guarantee for the safety of people's lives and property. In addition, it can also be used in electric power, communications, transportation and other fields, contributing to the safety and stability of society.

In short, the cabinet-type FM200 fire extinguishing device has become an indispensable and important equipment for modern fire safety due to its high efficiency, environmental protection and intelligence.

Technical parameter

Model	GQQ120/2.5-XL-98
Executive standards	GB16670-2006
Filling density	$\leq 1120\text{kg/M}^3$
Working temperature	0°C~50°C
Storage pressure	2.5MPa(+20°C)
Max working pressure	4.2MPa(+50°C)
System spray time	Computer room $\leq 8\text{s}$, others $\leq 10\text{s}$
Fire extinguishing design concentration	8-10%
System startup mode	Automatic,Pneumatic manual,Mechanical emergency
Fire extinguishing methods	Fully submerged fire extinguishing

Company profile

Guangzhou Xinlin Firefighting Equipment Co., Ltd. is located in Guangzhou, a vital city connecting China to the world, characterized by its convenient transportation and picturesque environment. We are a manufacturing company with a professional and seasoned team of employees, consisting of solution design experts, technical installation specialists, quality inspection professionals, and after-sales service teams, dedicated to the research and development of HFC-227ea (FM200), IG541, IG100, and Novec 1230 products.

Currently, we offer a range of commonly used fire suppression systems, including FM200 fire suppression systems, cabinet-style FM200 fire suppression systems, fully automatic fire extinguisher (hanging), portable fire extinguisher, IG541 fire suppression systems, IG100 fire suppression systems, fire detection tube fire suppression systems, as well as automatic fire extinguishing pipelines.

With high quality products, perfect service and good reputation, the company has won wide praise from customers at home and abroad.

Why choose us

- Efficient management system
- More than 10 years of experience in gas fire fighting industry
- Advanced equipment and professional engineers
- We provide 8x6 hr technical support and after-sales service

Frequently Asked Questions

Q1: Are you a manufacturer or a trading company?

A1: We are the manufacturer.

Q2: Do you have OEM orders?

A2: Yes, according to the customer's requirements.

Q3: Where is your factory located? How do I get there?

A3: Our factory is located in Dongzhou Industrial Park, Xintang Town, Zengcheng District, Guangzhou City, Guangdong Province, China.

You are very welcome to visit our factory.
